COVER LETTER

New York, February 22, 2024

Dear Hiring Manager,

I am excited to apply for the software developer role at your company, as it represents an opportunity to leverage my skills and knowledge to contribute to the success of a dynamic team. With a strong foundation in programming languages such as Java, C, and Python, I am confident in my ability to design and develop innovative software solutions. I successfully developed a command-line based application to manage student records and built a simple game using object-oriented programming principles, demonstrating my ability to apply theoretical concepts to real-world problems. I am eager to discuss my application and how I can contribute to your team.

Sincerely,

Your Name
